

LEARN

To make the most of your experience during the Wildflower Festival, we suggest you stop by our Visitor Center and purchase a specially discounted copy of the “Cedar Breaks National Monument Wildflower Guide” book. We will also provide a list wildflowers and map of where they can be found in bloom at the Monument.

DISCOVER

Look for these signs posted along the Cedar Breaks Scenic Drive. They are your guidepost to discover where many of the wildflowers listed on the map can be found. Special festival events, self guided walks and hikes will also take place at many of these locations

Ask about self guided wildflower walks: We provide the maps and resources for you to learn and discover at your own time and pace.

All daytime activities begin in front of at the park visitor center

All evening programs meet at the campground amphitheater

Beginning each day at 10:00am: Park volunteers, botanists and ranger staff will be available around the visitor center to answer your questions provide information, updates on guided hikes & what's booming, self guided activities, and special festival events.

Visitor Center Hours: Everyday 8:00am to 6:00 pm

While all daily programs and most special events are free there is still a fee to enter the park. The park fee is \$4.00 per adult over the age of 16 unless you have a National Parks, Golden Age, Golden Access, Cedar Breaks, or Interagency Pass. Children under 16 are free. If you do not have a pass, please inquire about them at the fee booth or the Visitor Center.

Festival Activities June 30-July 22, 2007

Call 435-586-0787 or 435-586-9451 for more information and to confirm times and events. Note that severe weather at 10,000 feet elevation may force cancellation of events!

You can also check several festival websites to download updated schedules, wildflower species lists, maps, what's blooming and more!

ENGAGE

Daily Programs

Morning Guided Hikes: 10:00am (1-3 Hours)

Every morning you can join a park naturalist on a guided wildflower hike through the monument. These hikes will meet just outside the Visitor Center and then proceed to a specially selected location. These hikes will highlight some of the best examples of what is in bloom on the Markagunt Plateau.

Afternoon Guided Hikes: 1:00pm (1-3 Hours)

The afternoon brings another opportunity to join a park naturalist on a guided wildflower hike. Meet at the Visitor Center and then you will proceed to the location of that afternoons hike.

Illustrated Evening Programs: 8:30pm (30-45 Minutes)

Every night in the campground amphitheater a park naturalist will present a in-depth illustrated program on one of the many park resources and themes. These programs are outdoors, so dress accordingly.

Visitor Center Porch Talks: 11:00am, 1, 3, & 5pm (15 Minutes)

Historically the porch has been a place for people to tell stories and exchange information. Our porch is no different. Come and join one of our park naturalists as they discuss their favorite things about Cedar Breaks.

Daily Geology Talks: 10:00am, 12, 2, & 4pm (15 Minutes)

Join a park naturalist and discover the amazing stories behind geologic scenery of Cedar Breaks National Monument.
